

Appointment Policy

At Nationwide Beauty Academy and Spa Studio, "Appointment" means we reserve the time, the student, the staff and the facility to properly complete your service. "No Shows" are a disruption to our program, and a disservice to the student's educational opportunity. Therefore, we consider this policy fair:

- Appointments are not required, but are recommended.
- To reserve any Spa service, a 50% advanced payment is necessary. We accept cash, check, credit card or gift certificate.
- There will be no charge provided the reservation is canceled at least 24 hours prior to the scheduled appointment.
- Please be on time. If you arrive more than 15 minutes late, we will attempt to provide the complete service but reserve the right to abbreviate as necessary.

Gift Certificates

Gift certificates may be purchased in the dollar amount of your choice, or by designated treatment.

All treatments and services are performed by student cosmetologists, under the supervision of licensed cosmetology instructors.

We hope that you enjoy your visit at this unique facility, and we hope you are able to pamper yourself often!

You Deserve It!

Skin Care Services

Personal Spa Facial \$30

Because we select products best suited to your skin type, this facial is precisely designed to encourage your skin to look and feel its absolute best. Your lavish prescription includes deep cleansing, gentle massage, steam and a mask followed by a refreshing toner and skin-type appropriate essential oils and creams. While the mask is timed, your hands and feet are gently cleansed, massaged with vitamin-rich creams, then wrapped in heated mitts and booties. A complimentary shampoo and blow dry completes your Personal Spa Facial.

Acne/Oily Skin Treatment Facial \$35

Moor Mud Facial Mask is comprised of herbs and medicinal plants that have broken down and have been preserved for thousands of years. The antibiotic and detoxifying properties provide an effective treatment for oily and acneic skin. To begin, your hands and feet are gently cleansed, massaged with vitamin-rich creams, then wrapped in heated mitts and booties. Next is facial deep-cleansing, with gentle massage, steam, and for the final 2-5 minutes, the imported Moor Mud is steamed onto your face and neck. Mud removal is followed by a refreshing toner, and skin-appropriate essential oils and creams. A complimentary shampoo and blow dry completes your treatment.

Proteolytic Enzyme Peel \$35

Pancreatic enzymes that dissolve dead keratinized skin cells, combined with colloidal oats which are calming and hydrating to the skin, along with soothing and anti-inflammatory chamomile that gently exfoliates the skin, comprise the ingredients of this treatment mask that exfoliates the skin of dead cells while restoring its suppleness, leaving the skin refreshed and glowing. First, your hands and feet are gently cleansed, then massaged with vitamin rich creams, then wrapped in heated mitts and booties. Next is facial deep-cleansing, with gentle massage, steam, and for the last 5 minutes, the enzymes are steamed onto your skin. After gently removing the residue, appropriate essential oils and creams are massaged into your skin. A shampoo and blow dry completes your peel.

Spa Body Treatments

Misty Steam Body Wrap \$55

A warm, soothing herbal-infused therapeutic bath begins your treatment. After soaking, your damp body is ready for the detoxifying steam canopy which brings impurities to the surface — ready to be rinsed away in a cool, quick shower. After soothing essential oils are massaged over your body, you will be cocooned in warm blankets while you enjoy a mini-facial. Completing the wrap is a head to toe misting with Lavender Aromatic Mist.

Patchouli & Vanilla Salt Glow \$60

Warm, soothing herbal-infused water envelops your body as you begin to experience the sensual, ancient art of the therapeutic bath. A scented cloth is gently placed over your forehead while your aromatic soak drifts your stress away. After soaking for 15 minutes, your damp body is ready to be scrubbed with a mineral-rich mixture of Sea Salt, Sea Weed, Patchouli and Vanilla Essential Oils in Sweet Almond Oil. A quick rinse in a warm shower is followed with a head to toe application of Lavender Body Lotion and misting with Lavender Aromatic Mist. Continue to relax for ten minutes while your face and neck are gently cleansed and rich creams are massaged into the skin.

Austrian Moor Mud Wrap *Vichy Shower* \$65

You'll begin this fabulous treatment with a warm, soothing herbal-infused bath. After your 15 minute soak, you are painted with genuine Moor Mud, from your neck to the tops of your feet. While cocooned in warm blankets for 20 minutes, your face and neck are cleansed and massaged with rich creams. Next is a fabulous treat, our Vichy Shower! 10 shower heads remove the Moor Mud as you lay on the treatment table, and your technician directs the heads over your body (you are discretely covered), regulating the water as warm as you like, and alternating to cool as you emerge from the most mineral-rich treatment you can have for your skin. Infra-red lights keep you toasty warm during the head to toe application of Lavender Body Lotion and Lavender Aromatic Mist.

*All Spa Body Treatments are followed by
a complimentary shampoo and blow dry.*
